When Will I Learn

The Hippos

I bought everything that you asked for, everything but you wanted more, I guess I wasn't quite enough. I did everything that you asked me to, everything that I could do, I guess I wasn't quite enough. I should have acted like a hopeless pessimist, 'cause I know that you're a sucker for that type, and if I told you I was gonna kill myself, maybe then you'd comfort me and hold me tight. I took you every place that you wanted to go, every single place that I know, I guess I wasn't quite enough. I told you everything that you wanted to hear, I said I love you in your ear, I guess I wasn't quite enough. (Chorus)
