

Slow

VAST

I have a secret
A secret that no one can know
I have been waiting
For someone just like you to show
Let's do it slow
Let's do it slow
I have a weapon
A weapon that I never show
I have been waiting
For someone just like you to know
Let's do it slow
Let's do it slow
I'm so in love with you
And don't let go
And don't let go
I have been lonely
A loneliness that you can't know
I have been waiting
For someone just like you to show
Let's do it slow
Let's do it slow
Let's do it slow
Let's do it slow
