

All or Nothing (UK Mix)

Whitesnake

Tonight's the night
To come in out of the cold
I've waited such a long, long time
I'm getting out of control

All or nothing
That's what I want from you
I'm gonna give you everything I got
Now what are you gonna do?

Don't try running away
You know you get nothing that way

'Cause it's too late
I'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore
'Cause it's too late for you now

My heart is burning
And the fire is hot
My temperature is rising, rising, rising
I'm ready to rock

All or nothing
I'm gonna make you see
I've made up my mind, for sure, this time
You're gonna spend the night with me

So don't try running away
You know you get nothing that way

'Cause it's too late
I'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore

'Cause it's too late for you now

And you're gonna burn

Baby, baby, baby

So don't try running away
You know you get nothing that way

'Cause it's too late

I'm gonna prove it to you

Too late

I'll do what you want me to do

Too late

You can't run anymore

'Cause it's too late for you now

Too late

I'm gonna prove it to you

Too late

I'll do what you want me to do

Too late

You can't run anymore

'Cause it's too late for you now

Too late

I'm gonna prove it to you

Too late

I'll do what you want me to do

Too late

You can't run anymore

'Cause it's too late for you now
