

# Firehead

DIO

Who's that angry man I see  
Is he coming closer  
Well I'll just make believe  
That I've never been afraidCrackle, Crackle,  
You're all dead  
Feel the heat from fireheadFrom spooky stories that he's read  
They put pictures on his body  
Living out a fantasy  
To be the last one left alive, hah!Crackle, Crackle,  
You're all dead  
Feel the heat from fireheadHe's lost the instruction  
No control  
Suicide fever, he won't be much older  
I know, won't go, awayWhat's that smoke that I can see  
Rising from the ashes  
Well, it seems that there will always be  
Someone just like youCrackle, Crackle,  
And you're all dead  
Feel the heat from firehead, firehead, firehead!
