

# Campus

## Subster

I wake up, my shoulder's cold, I've got to leave you  
Before I go, I pull my shirt on, walk out the door  
    Drag my feet along the floor  
I pull my shirt on, walk out the door  
    Drag my feet along the floor  
Then I see you, you're walking 'cross the campus  
Cruel professor, studying romances  
    How am I supposed to pretend  
    I never want to see you again?  
    How am I supposed to pretend  
    I never want to see you again?  
    Walk to class in front of ya  
    Spilled kefir on your keffiyah  
You look inside and turn to the door  
    Drag your feet along the floor  
Then I see you, you're walking 'cross the campus  
Cruel professor, studying romances  
    How am I supposed to pretend  
    I never want to see you again?  
    How am I supposed to pretend  
    I never want to see you again?  
    In the afternoon  
You're out on the stone and grass  
And I'm sleeping on the balcony  
    After class  
    In the afternoon  
You're out on the stone and grass  
And I'm sleeping on the balcony  
    After class  
    In the afternoon  
You're out on the stone and grass  
And I'm sleeping on the balcony  
    After class  
    In the afternoon  
You're out on the stone and grass  
And I'm sleeping on the balcony  
    After class
