

Otterley

Cocteau Twins

I'm sure
Allow me
Please
Get help
Only in your note
Only listen Where you going?
Oh, the song would
Whose mousse Sell our little home
That's what I'm saying
It's almost right It's a loved one
It's oh, so hard
You should go home
Through the pain Sure
Bravo
Please
Please
Pull
Only the lonely Sell some
Sell our minnow
Suppose he can
If we aren't home So come over
So sleep
It's so hard It's also ugly
Leveled home
Bricks so
So firm
