

Electric Baby

Solomon Grey

Do you believe or do you pretend?
Just begin again. I can't see the end for real, for real, for real
These pills we take seem to suck out all the life
Do you really want to get it?
Do you really want to get it?
Do you really want to get it all, it all, it all?
All these videos, no more images left to hide.[Chorus]
Won't you get yourself more radical?
Won't you make yourself at home?
Won't you get yourself more radical?
Electric baby
Electric baby
Little packages all tied up with steel.
These monopoles. These monopoles make me ill.
Sweet anodine. I can't feel a thing.
Do you really want to get it?
Do you really want to get it?
Do you really want to get it all, it all, it all?
These bullet holes. These bullet holes are for real.[Chorus]
Won't you get yourself more radical?
Won't you make yourself at home?
Won't you get yourself more radical?
Electric baby
Electric baby Save, save me.
What you want, what you find, what you have.
Won't you get yourself more radical?
Won't you make yourself at home?
Won't you get yourself more radical?
Electric baby
Electric baby
