Glastonbury

U2

Take me to the mountain green
You know how good I've never beenI was packaged as a temple made
A few distraction hits along the wayPale as snow, a flowering rose,
a flowering rose I would bend my kneeI came to find the flowering rose
the flowering rose of GlastonburyYou....Are....A pocketful of sunshine
You....Are....the miracle I came here to findSome things you just can't control
Sometimes you just can't let it goYou know that it was heaven sent
Music is a sacrament.....You took him to the mountain green
You know how good I'd never beenPale as snow, a flowering rose,
a flowering rose I would bend my kneeI came to find the flowering rose
the flowering ros of GlastonburyYou....Are....A pocketful of sunshine
You....Are....the miracle I came here to findDown by the river where the pilgrims sleeping
Under a flower of the American dreamSet the scenes like a thought worth keeping
Livin a dream, jeez you can't be sleepinYou....Are....a pocketful of sunshine
You....Are....the miracle I came her to findYou....Are....a pocketful of sunshine
You....Are....the miracle I came her to findA miracle I came here to find
A miracle I came here to find
