English

-

I donâ€™t have to try, donâ€™t know why
Just seeing me makes them go crazy
My look, my style, my swagger
Oh, I donâ€™t do anything, just love myself
Just give a glance with a casual approach
Hey girl! How you doing?

(Girls Girls Girls they love me)
Whatâ€™s with my body?
(Girls Girls Girls they love me)
From birth until forever

I just show up
Give a glance
Stay breathing
(Girls Girls Girls they love me)
Wear a little smile
Move slightly
Nothing much done
(Girls Girls Girls they love me)

Donâ€™t know whether itâ€™s love or not
So many temptations everyday
This girl, that girl, all day long
Oh, better make my mind up on just one
Thatâ€™s what I want to do,
But they wonâ€™t let go

(Girls Girls Girls they love me)
Whatâ€™s with my body?
(Girls Girls Girls they love me)
From birth until forever

I just show up
Give a glance
Stay breathing
(Girls Girls Girls they love me)
Wear a little smile
Move slightly
Nothing much done
(Girls Girls Girls they love me)

Iâ€™m not exaggerating, unfortunately
This is not just a song, take my word for it
Donâ€™t give a twist,
Please listen to me
Donâ€™t know if youâ€™ll understand,
But itâ€™s like I ate a magnet
My body pulls the girls to me,
I canâ€™t do a thing
So many times already in a single day,

Iâ€™m too popular

Whether young or old,
They grab me and say letâ€™s play
Whether they know me or not,
They say â€œWhatcha doinâ€™? Letâ€™s have a talkâ€•

I wish I had a twin
Maybe clone myself like the Matrix
I am the only one, but am in high demand
Every lady wants a piece of me

I just show up
Give a glance
Stay breathing
(Girls Girls Girls they love me)
Wear a little smile
Move slightly
Nothing much done
(Girls Girls Girls they love me)
