

# Elevator

David Archuleta

Woah, oh oh, oh  
I had a dream last night  
I didn't know which floor to get off on, hey  
The doors, they opened on 4 and 5 and 6  
And you were gone, all gone  
I didn't understand  
I didn't wanna know  
At least I took a chance  
I had to let it go  
Elevator goes up  
Elevator come down  
And you just go with the flow  
Until your feet are back on the ground  
It's an endless ride  
Sometimes it takes you up  
Sometimes it tears you down inside  
But it's the butterflies  
That keep you feeling so alive, so alive  
You gotta get back that high  
And in my dream last night  
The doors they finally shut  
And I was there, somewhere  
Alone in my reality inside an empty box  
That's filled with air, but I don't care, no  
Next time I'll get it right  
Next time I'll be okay  
I'll have a different dream tonight  
Tomorrow's another day  
Elevator goes up  
(Elevator goes up)  
Elevator come down  
And you just go with the flow  
Until your feet are back on the ground  
It's an endless ride  
Sometimes it takes you up  
Sometimes it tears you down inside  
But it's the butterflies  
That keep you feeling so alive, so alive  
You gotta get back that high

You'll never know  
What you're gonna get  
What you don't expect will come and find you  
If you laugh or cry, if you run and hide  
But it's all right  
Elevator goes up  
Elevator come down  
And you just go with the flow  
Until your feet are back on the ground  
It's an endless ride  
Sometimes it takes you up  
Sometimes it tears you down inside  
But it's the butterflies  
That keep you feeling so alive, so alive  
You gotta get back that high
