KAMAU

Girls just wanna play games
I said girls just, girls just wanna play games
You call 'em on the phone, she will never call you back
You see her on the street, she be like 'call me sometime'
I said girls (girls) just (just)
Girls just wanna play games
I don't need no
Give it to me straight
I'm waking down the street when I see the finest queen
Now I ain't gonna lie I am turned everything (everything...)? (idk what he says)
I gathered my composure
Said 'Hello, hello'
I'd really like to meet you can I take you over
To where you're going to
She said 'Thanks' and 'Sure'
I said 'oooh YEBO'
You call 'em on the phone
She will never call you back
You see 'em on the street
She be like 'Call me sometime'
I said girls (girls) just (just)
Girls just wanna play games
I don't need no
Give it to me straight
Ah were walking down the street
And she's wearing the whitest grin
I said 'My names Kamau rhymes with kapow with an m'
She said her name was Lola
I asked her if she slow up
I think we were approaching the front door It will be over soon
