

# Come As You Are

## Brandy

I was just a girl, innocent like a dove  
I was just a girl, no thoughts of making love  
I was just a girl, when holding hands was enough  
I was just a girl, a man didn't mean as much  
Now I'm a woman, a passionate woman  
Now I'm a woman, a true leading woman  
Now I'm a woman, a sensual woman  
Now I'm a woman, a woman, a woman  
I was just a girl, when flirting was all it was  
I was just a girl, and kept feelings bottled up  
I was just a girl, never knew how to touch  
I was just a girl, when love didn't mean as much  
Now I'm a woman, a passionate woman  
Now I'm a woman, a sensual woman  
Now I need someone who has something in common  
Now I need someone, someone, someone  
He don't have to make lots of cheddar  
You don't have to bring love letters  
You don't have to fool with the fellas  
Someone let you know that you can get up  
So come as you are, baby  
So come as you are, baby  
So come as you are, baby  
Come to my heart, oh yeah  
I was just a, I was just a, I was just a girl, sweet like honey  
I was just a girl, used to spending money  
I was just a girl, you couldn't buy me  
I was just a girl, who wrote in her diary  
Now I'm a woman, a passionate woman  
Now I'm a woman, a true leading woman  
Now I'm a woman, a sensual woman  
Now I'm a woman, a woman, a woman  
I was just a girl, so soft spoken  
I was just a girl, mind wasn't open  
I was just a girl, my work had me focused  
I was just a girl, I was lonely in a showbiz  
Now I'm a woman, a passionate woman  
Now I'm a woman, a sensual woman  
Now I need someone who has something in common

Now I need someone, someone, someone  
He don't have to make lots of cheddar  
You don't have to bring love letters  
You don't have to fool with the fellas  
Someone let you know that you can get up  
So come as you are  
So come as you are  
So come as you are  
Come to my heart, baby bay  
It's what I want, what I want  
It's what I want, what I want  
It's what I want, what I want  
It's what I want, what I want  
I need a man whose sure of himself  
I need a man whose true to himself  
I need a man who does for himself  
I need a man who already loves himself  
He don't have to make lots of cheddar  
You don't have to bring love letters  
You don't have to fool with the fellas  
Someone let you know that you can get up  
So come as you are  
So come as you are  
So come as you are  
Come to my heart
