Fever

Little Willie John

You never know how much I love ya
Never know how much I care
When you put your arms around me
I get a feelin' that's so hard to bear
You give me feverWhen you kiss me
Fever when you hold me tight
Fever (fever, burn through) in the mornin'
An' fever all through the nightListen to me, baby
Hear ev'ry word I say
No one could love you the way I do
'Cause they don't know how to love you my way
You give me feverWhen you kiss me
Fever when you hold me tight
Fever (fever, burn through) in the mornin'
An' fever all through the nightBless my soul, I love you
Take this heart away
Take these arms I'll never use
An' just believe in what my lips have to say
You give me feverWhen you kiss me
Fever when you hold me tight
Fever (fever, burn through) in the mornin'
Fever all through the nightSun lights up the daytime
Moon lights up the night
My eyes light up when you call my name
'Cause I know you're gonna treat me right
You give me feverWhen you kiss me
Fever when you hold me tight
Fever (fever, burn through) in the mornin'
An' fever all through the nightUmm-mmm-mmm-mm-mmm-mm
Umm-umm-umm-um-um
Umm-mmm-mmm-mm-mmm-mm
Umm-umm-umm-um-um
