

# Never Wanted Nothing More

Kenny Chesney

I couldn't wait to turn sixteen  
And drive all the boys around  
Foot on the gas and hands on the wheel  
Was all I could think about A little rust in the bed of that truck  
And a four speed on the floor  
Five hundred dollars it was mine, all mine  
And I never wanted nothing more I took Katie down by the river  
With a six dollar bottle of wine  
Just a fool tryin' to play it cool  
Hopin' she'd let me cross the line And I was prayin' that she couldn't tell  
I'd never been that far before  
The first time's a one time feeling  
And I never wanted nothin' more  
Naw I never wanted nothin' more Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got  
I live to love and laugh a lot  
And that's all I need My buddies all tried to change my mind  
But I told them that I thought it through  
Well, Katie laughed and my momma cried  
When they heard me say, I do Her little ring was a little thing  
But it was all that I could afford  
Now she's mine all mine till the day I die  
And I never wanted nothing more  
Naw I never wanted nothing more Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got  
I live to love and laugh a lot  
And that's all I need One Sunday I listened to the preacher  
And I knew he was preaching to me  
I couldn't help it, I walked up front  
And I got down on my knees Right then and there I swear  
I changed when I found the Lord  
Glory Hallelujah, Good God Almighty  
I never wanted nothing more  
Naw I never wanted nothing more Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got  
I live to love and laugh a lot  
And that's all I need I never wanted nothing more  
And I never wanted nothing more
