

# I Don't Care About Drinking Alone

## Dead Bronco

Lately I've been thinking about my lonely past  
Brother you can tell by my empty glass  
Now you've been haunting and tempting me in all my dreams  
But brother you don't wanna see me get mean I don't care about what you've been doing lately  
I don't care you run around acting like a whore  
I don't care anymore about you lady  
I don't care anymore about drinking alone One more drink and one more line  
Is all it seems  
But being away from you is killing me  
Drinking myself blind is all I know  
Anything to forget you and to help me be alone I don't care about what you've been doing lately  
I don't care you run around acting like a whore  
I don't care anymore about you lady  
I don't care anymore about drinking alone
