

# Life Is but a Dream

[Tanya Donelly](#)

And a shadow fell bringing sleep to all  
Life is but a dream ours  
When you disappear, you are everywhere  
Life is but a dream ours In our beauty sleep  
In big sleep together  
Nothing ever ends  
Nothing lasts forever You'll come back again, I am waiting then  
Life is but a dream, it's ours  
Life is but a dream
