

Stars

Roxette

You keep on walkin' on the other side
Other side, other side
You keep on walkin' on the other side
Other side, other side
Wherever you go, I'm going with you
Shouldn't you know I'm bound to follow
Whatever you say, whatever you do
I give you a clue, I'm gonna follow
And the stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you
Why don't you let me, let me come along?
Na na na, na na na
Why don't you open, make me come along?
Na na na, na na na
Wherever you go, I'm going for you
Oh, I was truly born to follow
Like fire and wood and paper and glue
Only a few were born to follow
And the stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you
And the sun will glow
Melting all the snow
Knowing all I know
That's where I'll meet you
Stars will show
Where the waters flow
Where the gardens grow
That's where I'll meet you
And the sun will glow
Melting all the snow
Knowing all I know
That's where I'll meet you
And the stars will show
Every breeze will blow
Knowing all I know

That's where I'll meet you
That's where I'll meet you, oh
