

I Don't Care

[Willie Nelson](#)

Now, I don't care if I'm not the first one you've kissed

Just so I'll be the last

And I don't care if I'm not the first you've caressed

Darling, I'll never ask Yesterday's gone

Just love me from now on

Be true to me

Forget about the past For I don't care if I'm not the first love you've known

Just so I'll be the last Yesterday's gone

Just love me from now on

Be true to me

Forget about the past
