

# Babe (vocoder mix)

## Emigrate

You're so pure, so sure again  
Whatever you do, we will laugh again  
I'm like you, a fool again  
Whenever I fell, I got up again Babe you don't have to be afraid in my eyes  
Babe, don't be ashamed Find your way and lose again  
Wherever you are you can choose again  
Your heart will break, and heal again  
And one day will come when you believe again Babe, you don't have to be afraid in my eyes  
Babe, don't be ashamed  
Babe, you don't have to be afraid in my eyes  
Babe, I'm so glad that you stayed
