Secrets

Save Me Hollywood

I put my money where my mouth is
What's in the past is in the past
The present's drifting, we refuse to fall
Now where's our future? cause we're falling outI built a wall for all these patterns
What's gone is gone
Got twenty seconds for a call
But you say nothing, oh you say nothing, no nothing at allDon't leave me hanging baby
Lie down on my lap, maybe
We're in the streets, yeah, and I just can't sleep, yeah
So let's keep secrets, yeah?I can be cute, I can be stupid
And you're so brave for closing in, oh I'll retreat but
Now I'm folding in, I'll stay a minute, a minute too long
So tell me what about your girlfriend
You're slurring speech, your head is weak
It's overrated, you're in my bed, it's overratedDon't leave me hanging baby
Lie down on my lap, maybe
We're in the streets, yeah, and I just can't sleep, yeah
So let's keep secrets, yeah?
Don't leave me hanging baby
Lie down on my lap, maybe
We're in the streets, yeah, and I just can't sleep, yeah
So let's keep secrets, yeah?adlibDon't leave me hanging baby
Lie down on my lap, maybe
We're in the streets, yeah, and I just can't sleep, yeah
So let's keep secrets, yeah?
Don't leave me hanging baby
Lie down on my lap, maybe
We're in the streets, yeah, and I just can't sleep, yeah
So let's keep secrets, yeah?
