Diggin'

Kovacs

Look here
There's something to know
I'm not like others
This needs to go slow
Got things, things on my mind
Visions to make
And gold dust to find
It's not you
It's defenitely me
Got dreams to believe in, and bright lights to see
No spark
Starting to doubt
I've got the feeling that this won't work out
I'm diggin'
Don't want you by my side
Me and my records all alone feels right
I'm diggin'
Need to grow, have to push
Flicking through vinyl and feeding the rush
I dig for that one, and I open the haunt
It's taking all day, from the back to the front
I'm diggin', and diggin'
You know...
Sorry baby gone diggin'
...Oeh Ah Oeh Ah Oeh...
To find gold, you need plenty of souls
And everyone needs their separate goals
This band, makes me inspired
They have the flames, that light up my fire
Although, already sold
But it doesn't mean, the story's untold
I'm near, in finding the sound
Don't have the feeling, I'm hanging aroundI'm diggin'
Don't want you by my side
Me and my records all alone feels right
I'm diggin'
Need to grow, have to push
Flicking through vinyl and feeding the rush
I dig for that one, and I open the haunt

It's taking all day, from the back to the front
I'm diggin', and diggin'
You know...
Sorry baby gone diggin'
...Oeh Ah Oeh Ah Oeh Ah Oeh Ah.....Oeh Ah Oeh Ah Oeh Ah Oeh...
