

Diggin Your Style

Frankie J

Yo, I'm diggin' your style, yeah
She was so fly, she was alright
She looked like she came from that paradise
She was so thrown, she was so cold
'Cuz she already knew she had it goin' on
Them pretty ass toes, the way she rolls
Everythin' about her looked so dope
Her independent ways, bills all paid
What else could you ask for now a days
'Cuz you know I've been peepin' you awhile
I really like and dig your sexy style
So won't you turn and come around my way
I'll show you what I'm gonna do
And I'll show you how I feel for you
You got me diggin your style, oh
Can we kick it for a while?
So, baby can I get your number so we can holla
I'd really like to share some time with you
And anythin' you wanna do is cool
Keep it just between us two for you
All I need is just once chance
To be your man, so, baby, understand
So what I gotta do just to be next to you
What I gotta do, tell me what I gotta do, yeah
'Cuz you know I've been peepin' you awhile
I really like and dig your sexy style
So won't you turn and come around my way
I'll show you what I'm gonna do
And I'll show you how I feel for you
You got me diggin' yo style
Can we kick it for a while?
I'm really diggin' your style
Can we kick it for a while?
She got a body like, sexy mamas like
She love to party like
Sometime I wanna take you to a movie or somethin'
Get high, get to know ya, introduce you to someone
So flat and so clean, livin' her own dream
She diggin' my lil stilo, I'm diggin the whole scene
Lookin' so supernatural
Fendi shade with the hat to match you know
On spinners when she roll on candy paint
That's why I love some candy man
Yo got me diggin' yo style
Can we kick it for a while?
I'm really diggin' yo style
Can we kick it for a while?
Yo got me diggin' yo style
Can we kick it for a while?
I'm really diggin' yo style
Can we kick it for a while?
Yo got me diggin' yo style
Can we kick it for a while?

I'm really diggin' yo style
Can we kick it for a while?Yo got me diggin' yo style
Can we kick it for a while?
I'm really diggin' yo style
Can we kick it for a while?
