

How Do You Keep The Music Playing?

Tony Bennett

(Alan Bergman / Marilyn Bergman / Michel Legrand)

How do you keep the music playing?

How do you make it last?

How do you keep the song from fading too fast?

How do you lose yourself to someone?

And never lose your ways

How do you not run out of new things to say?

And since we're always changing

How can it be the same?

And tell me how year after year

You're sure your heart will fall apart

Each time you hear his name

I know the way I feel for you

It's now or never

The more I love the more that i'm afraid

That in your eyes I may not see forever..

Forever...

If we can be the best of lovers

Yet be the best of friends

If we can try with everyday to make it better as it grows

With any luck, then I suppose

The music never ends

I know the way I feel for you

It's now or never!

(How do you keep the music playing?)

The more I love the more that I'm afraid

(How do you make it last)

That in your eyes I may not see forever

Forever...

(How do you keep the song from fading, keep the song from fading too fast)

If we can be the best of lovers

Yet be the best of friends

If we can try with everyday to make it better as it grows

With any luck, then I suppose

The music never ends
