

# I Wish I Were In Love Again

## Jackie & Roy

You don't know that I felt good  
when we up and parted  
You don't know I knocked on wood  
gladly broken-hearted  
Worrying is through  
I sleep all night  
appetite and health restored  
You don't know how much I'm bored!

The sleepless nights  
the daily fights  
the quick toboggan  
when you reach the heights  
I miss the kisses and I miss the bites  
I wish I were in love again!

The broken dates,  
the endless waits  
the lovely loving and the hateful hates  
the conversations with the flying plates  
Wish I were in love again!

No more pain  
no more strain  
now I'm sane but ...  
I would rather be  
loving you, baby!

If this is real  
let's make a deal  
You can call me me dope  
You can call me heel  
I've learned my lesson  
and it's love I really feel...  
again

No more care  
no despair  
I'm all there now  
Glad to be with you

It's plain to see  
that you and me  
will add a few leaves  
to the family tree  
We don't like quiet  
and we're glad to be  
in love again!

In love again!
