

On the Wagon

Green Day

Advisory - the following lyrics contain explicit language:

Sometimes it gets real hard
And I need some kind of output
For input twice the size
Of my one inch mind So slap me on the hand
Put it right back down my pants
Turn me right around
Kick me in the ass Well today I say sweet things
But tomorrow
I'll be making up excuses
For my actions 'cuz it's been so long
Since I've been in love
That special kind of feeling
Guess my best excuse
I'm on the wagon again
(Oh, hey) Well today I say sweet things
But tomorrow
I'll be making up excuses
For my actions 'cuz it's been so long
Since I've been in love
That special kind of feeling
Guess my best excuse
I'm on the wagon again Well I got no real excuse
I'm on the wagon again
Hey { Well done
Thank you, thank you }
