Everything I Know

The Soft Pack

I, I've gone down
A lesson travelled through
While you more triumphed
And it is you tooAnd I can tell you everything I know
It doesn't matter
Everything I know
I let go to be freeWhile you when straight off
And let your father down
I got around in time
And walked you all around
Well I can tell you
Everything learned didn't mattered
Everything I learned
I burned to be free
Til you disagreed when I said
It doesn't matterEverything I know
I let go to be free
