

On a Good Day

Above & Beyond

Little bit lost and
A little bit lonely
Little bit cold here
A little bit feared But I hold on
And I
Feel strong
And I
Know that I can Gettin' used to it
Lit the fuse to it
Like to know who I am Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day And it feels like me
On a good day Been talking to myself forever, yeah
And how I wish I knew me better, yeah
Still sitting on a shelf and never
Never seen the sun shine brighter
And it feels like me
On a good day On a good day
On a good day
And it feels like me
On a good day
