

# Drowning Under Everything

## American Head Charge

I see your mask  
It makes me start to believe  
Why do you ask  
Because you're prone to deceive I see your mask  
It makes me start to believe  
Why do you ask  
Because you're prone to deceive Once I start I won't stop I want you to really need it so bad  
I want you to really need it so bad  
I want you to really need it so bad  
I want you to really need it so bad  
So bad  
So bad  
So bad  
It's just a taste  
Spread right across both your lips  
It's just a waste  
Because your grip always slips It's just a taste  
Spread right across both your lips  
It's just a waste  
Because your grip always slips Once I start I won't stop I want you to really need it so bad  
I want you to really need it so bad  
I want you to really need it so bad  
I want you to really need it so bad Swimming in desperation  
Drowning under everything  
Ignore the expectation  
I want you to really need it so bad (Ignore the expectation)  
I want you to really need it so bad (Ignore the expectation)  
I want you to really need it so bad (Ignore the expectation)  
I want you to really need it so bad (Ignore the expectation) Everything (so bad)  
Everything (so bad)  
Everything (so bad)  
Everything (so bad)  
Everything (so bad)  
Everything (so bad)  
Everything (so bad)  
Everything (so bad)
