Breaking Away

Bosshouse

(Verse)
Talk to me later when you're by yourself
Maybe it's me but you need someone else
Guess you dont get it,it's not what you thought
How far ahead do you see when you're wrong

(Pre hook)
Tell me
Tell me I'm wrong
Tell me
I'm to far gone

(Hook)
Break
Breaking away
Take
Take it all away (Ã—2)

(Verse)
You talk about change but you won't move an inch
Open your gates but you won't let me in
Pointing the finger but you've got around
You say you're sorry what took you so long

(Pre hook)
Tell me
Tell me I'm wrong
Tell me
I'm to far gone

(Hook)
Break
Breaking away
Take
Take it all away (x2)

(Pre hook)

(Hook) Ã—3
