No One Needs To Know

OZMA

No one needs to know, one needs to know
If a lover's being faithful, one needs to know
If a lover's being true, one needs to know
If a lover's being faithful
And I'm being faithful to youI don't know what you're thinking we should do
I don't know if the words you say are true
But let me tell you this for sure
The things we're doing just aren't pure
And no one needs to know but me and youNo one needs to know
No one needs to know
No one needs to know, no one needs to knowIf a lover's being faithful, one needs to know
If a lover's being true, one needs to know
If a lover's being faithful
And I'm being faithful to youYou don't know all the things she put me through
You don't know if the words I say are true
But let me tell you this tonight
The things we're doing just ain't right
And no one needs to know but me and youNo one needs to know
No one needs to know
No one needs to know, no one needs to knowIf a lover's being faithful, one needs to know
If a lover's being true, one needs to know
If a lover's being faithful
And I'm being faithful to youNo one needs to know
No one needs to know
No one needs to know
No one needs to know, no one needs to know
No one needs to know, no one needs to knowIf a lover's being faithful, one needs to know
If a lover's being true, one needs to know
If a lover's being faithful
And I'm being faithful to you
