

Everyone Deserves a Second Chance

Raul Midón

1.

These are not the best of times, I know
I wouldn't blame you if you choose to go
I'm sorry for this gloomy circumstance
But everyone deserves a second chance
Everyone deserves a second chance

2.

Silence is an icy alibi
Not to speak the truth is still a lie
Love is so much more than just one dance
But everyone deserves a second chance
Everyone deserves a second chance

Bridge

Love's a crazy traitorous game for thrill
Funny how I never thought
I'd have to coop and plead

Guilty of the crime that set this stage
Some soothing magic words might quell this rage
Forgiveness doesn't tangle with romance
And everyone deserves a second chance
And everyone deserves a second chance
