

# Creepin'

Boney James

I can hear you sighin'  
Sayin' you'll stay beside me  
Why must it be  
That you always creep  
Into my dreams On the beach we're sitting  
Huggin', squeezin', kissin'  
Why must it be  
That you always creep  
Into my dreams  
In my dreams When I'm sleep at night baby  
I feel those moments of ecstasy  
When you sleep at night baby  
I wonder do I creep into your dreams  
Or could it be I sleep alone in my fantasy Oh, love is so amazing (Oh, oh, oh, ah, ah)  
Guess you will be stayin'  
So let it be  
That you always creep  
Into my dreams  
In my dreams When I'm sleep at night baby  
I feel those moments of ecstasy  
When you sleep at night baby  
I wonder do I creep into your dreams  
Or could it be I sleep alone in my fantasy Oh, love is so amazing (Oh, oh, oh, ah, ah)  
Guess you will be stayin'  
So let it be  
That you always creep  
Into my dreams  
In my dreams  
In my dreams  
In my dreams  
In my dreams  
In my dreams  
In my dreams  
In my dreams  
In my dreams
