Life is not about the quickest speed
What you achieve
Come degree by degree
And what you get is what you see
In your mind visually
And manifest physically
If you stick to it shit'll work out terrificly
Take me, everyday my life be hectic and stressful
Never really know if im'a ever be successful
But the best things you get out of life require struggle
If it don't you gettin hustled homeboy
You gettin hustled

Anything you wanna be you can be it
If your mind can preceive it
And your heart really believe it
Than you half way there and all you got to do is do it
And if you give it all you got there ain't really

word upVerse 2:
As a, black boy
Started out a bundle of joy
but quickly I grew playin with toys
Than you started makin noise as a youth
Tryin to figure out the truth

Behind the shit that the schools ain't tellin
 First come rebellin, then come drug sellin
 Juvenile court, 'cause you too young to be a felon
 Knew that everything around you was yours
 But you gotta maintain the game of wealth that the
 World has in store
 A wise man told you before
 You got the power to bring things to life black boy
 You can test it
 Everything you see is just a thought manifested
 But before you had a chance to know that
 You got arrested
 And it all seems clear to you know, you can breathe
 It was different
 When you couldn't see the forest from the trees
 If you follow your dreams you can accomplish anything
 If you always do your best then your destiny is king
 Of the world
 Chorus
 People don't let life, no no
 Don't let life mislead you
 You have the power
 People don't let life
 Don't let life deceive you

 Verse 3:
 Life is like twistin' a blunt, it's how you roll with it
 Just figure out what you want and go and get it
 anybody tryin' to stop you
 For tryin to do for you
 That's your enemy dun
 The sun be right up in your crew
 That's true
 Life is a thinking mans game
 Use your head for it
 Ain't no use in bein scared a shit
 If you prepared for it
 Go for what you know good
 This whole wide world is your hood
