

# Tidal Wave (Flosstradamus remix)

## Sub Focus

You can't just give it away  
Like it means nothing  
Love isn't a game where,  
You win somethingI'm tired of being  
On the outside  
I want to know  
What it's like  
I'm tired of seeing  
All of the singsI want to feel  
Us collideYour love washes over  
Like a tidal wave  
I feel the impact  
As we collide  
Your love washes over  
Like a tidal wave  
I feel the impact  
As we collideAll the games we play  
You're fooling nobody  
If it makes you feel good  
When you're hurting somebodyI'm tired of being  
On the outside  
I want to know  
What it's like  
I'm tired of seeing  
All of the signsI want to feel  
Us collideYour love washes over  
Like a tidal wave  
I feel the impact  
As we collide  
Your love washes over  
Like a tidal wave  
I feel the impact  
As we collideEy ah, ey ah ah, ey ah, ay ah ah  
Ey ah, ey ah ah, ey ah, ay ah ah  
Ey ah, ey ah ah, ey ah, ay ah ah  
Ey ah, ey ah ah, ey ah, ay ah ah, ey ah, ay ah ah,  
I feel the impact  
As we collide
