Overflow

Maddie Rey

(Verse 1)
Your Presence consumes me, Your Love overwhelms me, I get so amazed.
Every time You show Your Grace, I long to see Your Face!
You have put the fire deep down inside.
The overflow comes out and our spirits coincide!

(Pre-Chorus)
Let Your Love flow out like a water fountain,
Cause You with me, Iâ€™ll climb any mountain,
I could sing, sing, sing all night long;
Iâ€™ll let You push play on my favorite song.

(Chorus)
O-ver-flow!
O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!
O-ver-flow!
O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!

(Interlude 16 counts)

(Verse Two)
Your Glory surrounds me, Your Grace so abounding, I feel You all over me.
Your Spirit fills the room, I canâ€™t sit still, just have to move!
You have put the passion deep down inside.
The overflow comes out and our spirits coincide!

(Pre-Chorus)
Let Your Love flow out like a water fountain,
Cause You with me, Iâ€™ll climb any mountain.
I could sing, sing, sing all night long;
Iâ€™ll let You push play on my favorite song.

(Chorus)
O-ver-flow!

O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!
O-ver-flow!
O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!

(Interlude 32 counts)

(Bridge/Rap Segment)
Okay, I donâ€™t need no music
I gotta tell them how I feel.
Yeah, I donâ€™t need no beat, so
You know I gotta keep it real.
You see, I use my voice as an instrument
And when I talk about my God, itâ€™s like common sense;
I get that confidence from the God above,
Yeah, this overflow was made full by His Love.

(Chorus)
O-ver-flow!
O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!
O-ver-flow!
O-ver-flow!
Let Your Love
And Your Power flow
Out my soul!

(Interlude 48 counts)
