Heaven Is Cheap Enough

Scott Michael Bennett

Heaven Is Cheap Enough
Heâ€™s coming soon
just a little longer
don't be impatient
use your time wisely
stand firm in your faith
endure the small things
cause when its over
you'll be much stronger
Its worth the effort
oh hallelujah
heaven is cheap enough
oh hallelujah
so when the doors
are shut in your face
go to another
someone is waiting
to be invited to heavens banquet
so they can meet their
eternal family
Its worth the effort
oh hallelujah
heaven is cheap enough
oh hallelujah
Then up in heaven
Jesus will greet us
heâ€™ll say to each one
well done good servant
and then weâ€™ll meet those familiar faces
we helped direct to our precious Savior
Its worth the effort
oh hallelujah
heaven is cheap enough
oh hallelujah
Its worth the effort
oh hallelujah
heaven is cheap enough
oh hallelujah
oh hallelujah

oh hallelujah
hallelujah
