

I Am Not at War

[Luka Bloom](#)

I am not at war with anyone
I am not at war with anyone
Go away warplanes
You bring fear and shame
I am not at war with anyone I give my love to Iraq, and to America
I give my love to Israel, and to Palestine
We could live as one
Between the sea and sun
I am not at war with anyone I don't need to be friends with everyone
But I'd like to live in peace with everyone
This rush to war is wrong
And so I sing this song
I am not at war with anyone
I am not at war with anyone
I am not at war with anyone
I am not at war with anyone
Go away warplanes
You bring fear and shame
I am not at war with anyone
I am not at war with anyone
