Another Day

Admiral Twin

It's just another day
Just another day
It's just another day
Just another dayA critical word's a betrayal
But the judge won't state my crime
When I find myself on trial
I always end up doing timeAnother day on the track
Another day on my backThe sky looks blue
And all but I'm tied to the track
She pretends that
She can't hear me falling apartListen to me now
'Cause all I need is you
To let me off my bed of nailsIt's just another day
It's just another day
It's just another day
It's just another day
