

# Another You, Another Me (vs Gareth Emery)

## Lange

I'm not saying I'm not sorry  
Just looking for another you  
It's not getting any better, better  
I'm not saying I'm not sorry  
Just looking for another you  
It's not getting any better, better  
But what I can I do?  
When there's something wrong  
When we keep holding on to the best days?  
I'm not saying I'm not sorry  
Just looking for another you  
Looking for another you  
Just looking for another you, another you  
Just looking for another you I don't know any other way to show  
It's not getting any better  
I think we both know there's something wrong  
But we keep holding on to the best days  
I'm not saying I'm not sorry  
Just looking for  
I'm just looking for another  
I'm just looking for another you  
I'm just looking for another  
I'm just looking for another you  
Just for another you
