Brokenhearted

Brokenhearted

This is more than the typical kinda thing
Felt a jones in my bones when you were touching me
Uh oh, didnâ€™t wanna take it slow

In a daze, goin' craze, I can barely think
Youâ€™re replayin' in my brain, find it hard to sleep
Uh oh, waitin' for my phone to blow

Uh oh, yup
Now Iâ€™m here in a sticky situation
Got a bit of trouble, yup and now Iâ€™m pacin'
Five minutes, ten minutes, now itâ€™s been an hour
Uh donâ€™t wanna think too hard, but Iâ€™m sour
Uh oh, I canâ€™t seem to let you go

[Hook]
See Iâ€™ve been waiting all day
For you to call me baby
So letâ€™s get up, letâ€™s get on it
Donâ€™t you leave me brokenhearted tonight
Come on, thatâ€™s right
Honest baby Iâ€™ll do
Anything you want to
So can we finish what we started
Donâ€™t you leave me brokenhearted tonight
Come on, thatâ€™s right, Cheerio

Whatâ€™s the time, such a crime, not a single word
Sippin on that Patron, just to calm my nerves
Uh oh, poppinâ€™ bottles by the phone
Oh yeah

Had me up, had me down, turned me inside out
Thatâ€™s enough, call me up, baby Iâ€™m in doubt
Uh oh, I donâ€™t even think you know, no no no

[Hook]

Anything you wanna do, Iâ€™ll be on it too
Everything ya said, is like gold with a view

Business in the front, party in the back
Maybe I was wrong, was the outfit really wack
This kinda thing doesnâ€™t happen usually
Iâ€™m on the opposite side of it, truthfully
I know you want it, so come and get it
Cheerio

[Hook]

When you gonna call
Donâ€™t leave me brokenhearted
Iâ€™ve been waiting up
Letâ€™s finish what we started
Oh oh, I canâ€™t seem to let you go
Come on, thatâ€™s right, cheerio, uh
