Woman Of The World

Lisa Maffia

Did you ever meet the kind of a lady
She lives her whole life saying, "Maybe"?
Running here and there as she pleases
Not a thought for the social diseases
Though she never thinks of settling down
She'll spend time turning your head around
But don't let your heart start dancing
Lady don't waste no time romancing
Are you mine or are you a woman of the world?
Are you really so different from all the other girls?
Do you care that I care about the things that you do?
Does anything matter to you?

Does anything matter to you?

Once in a garden of glory

Someone sowed the seeds of this story

And the whole thing began with a woman and a man

Still it's something no one understands

Are you mine or are you a woman of the world?

Are you really so different from all the other girls?

Do you care that I care about the things that you do?

Does anything matter to you Amy?

Does anything, anything matter to you? Huh
