War Is Pain Again

Metatrone

Too much time I'll wander
Before you can hold me again
My love's forever
And all we supposed to do
We'll make it through the time
But now I have to go on I'll try to stay AliveHold on my loving
Our names will be smoke in the sky
Souls to the wind
Hell and fire! The land burns
The sky falls on me
My will is lasting
Can I save me?
War is pain again
Lost inside my head
Nothing is the same
Only waiting to return
War is pain again
Lost inside my headReactions and Memories
Of a warm summer day in peace with you
But now I cannot
Hell and fire! The land burns
The sky falls on me
My will is lasting
Can I save me?
War is pain again
Lost inside my head
Nothing is the same
Only waiting to return
War is pain again
Lost inside my head
Nothing is the same
Only waiting to returnWar is pain again
Lost inside my head
Nothing is the same anymoreWar is pain again
Lost inside my head
Nothing is the same
Only waiting to return
