

Junk Food Junkie (Live at The Roxy)

[X-Ray Spex](#)

Johnny's got an addiction
He's strung out without conviction
He was raised with a microwave
Sticky trashy fast food slaveHe's a junk food junky
He could be a lot more spunky hunky
But he's a junk food junky
Blame it on the food yeah, you know it's badMother doesn't really know
Shopping in a glossy show
Then again her budget's low
Her health so bad it makes her slow
She's a junk food junky
She's stressed and very jumpy
She's a junk food junky
Blame it on the food yeah, we know its bad
Blame it on the food yeah, we know it's bad
Jenny's in a fix
With her arithmetics
Poor concentration
Boys in the classroom cause agitationShe's a junk food junky
She could be a lot more fun
