Right Where It Counts

2Gether

We're alone in the room, playing Hixin and Doom
And now you telling me goodbye
So you want us apart puts a knife in my heart
And a tear welling up in my eyeBut let me remind you how much you have been blind to
You've totally changed me, mixed me up rearranged me
My hair, how you like quit hanging with Mike
And now you repay me by trying him, first play meI want you to know that you hit me too low
And that I can barely breath
If I told you that I'm bleeding inside would
You simply let me get off my knees
Let me get off my knees, that really hurtsRight where it counts, that's where you hit me
Right where it counts, I'm on my knees
Right where it counts, stop kicking me please
Right where it countsI used to play football, I once was a goof ball
But you didn't like that, no, you didn't like that
The guys call me whipped, my popularity slipped
Because you just wanted a door matWe shut out our friends and I'd do it again
If you and I could get back on the highway
I thought we'd share our lives, me husband, you wife
Now I'm confused and battered and I'm blueWhy are you so mean?
Now you've ruptured my spleen and my lowest extremity
If we were alone and the parents weren't home
I'd yell a hundred obscenitiesRight where it counts, that's where you hit me
Right where it counts, I'm on my knees
Right where it counts, stop kicking me please
Right where it countsRight where it counts, that's where you hit me
Right where it counts, I'm on my knees
Right where it counts, stop kicking me please
Right where it countsUh, come on, come on to the bridge
If I could really love you
Well, this is what would you'd do
Well, baby, I can love youRight to the fields
Is this the way you show me how much you love me
Or is there really something you're trying to sayRight where it counts, that's where you hit me
Right where it counts, I'm on my knees
Right where it counts, stop kicking me please
Right where it countsRight where it counts, that's where you hit me
Right where it counts, I'm on my knees
Right where it counts, stop kicking me please

Right where it countsRight where it counts
Right where it counts
Right where it counts
