

23

Blonde Redhead

23 seconds, all things we love will die
23 magic, if you can change your life Your tainted heart, your tainted heart
my tainted love, my tainted love
repent now
How many times ?
As long as you live, how many times ?
The world will go around He was a friend of mine
he was a son of god
he was a son of a gun He was a friend of mine
he was a son of god
he was a son of a gun 23 seconds, in you I see a chance
23 magic, if you change the name of love Your crazy heart, your crazy heart
my crazy love, my crazy love
repent now How many times ? As long as you wish
How many times ? The world will go around
How many times ? As long as you want
How many times ? The world will go around He was a friend of mine
he was a son of a gun
he was a son of god He was a friend of mine
he was a son of a gun
he was a son of god He was a friend of mine
he was a son of a gun
he was a son of god 23
