You don't want me to, You don't want me to do.Hey ya, Hey ya
You don't want me to, You don't want me to do.
You better watch your back.
I'm coming, I'm coming, I'm coming.
Have you seen her? Do you know where she hides?
I wanna get her. I'm gonna take her inside out.
I'm not playing around (x4)
And watch out, watch out, watch out, watch out.
You better run away, I would run away,
I would if I were you. You better run away.
And get out of my face. I would if I were you.
Ugly girl, I feel sorry for you.
You don't want me to, you don't want me to do.You better watch your back. I'm coming,I'm coming, I'm coming, coming, coming, coming.
