

Dance with the One That Brought You

[Shania Twain](#)

Well he shines like a penny in a little kid's hand
When he's out on a Saturday night
He's a real go-getter and the best two-stepper you'll see But when I'm sittin' alone at a table for two
'Cause he's already out on the floor
I think about somethin' that my Mama used to say to me You got to dance with the one that brought you
Stay with the one that wants you
The one who's gonna love you when all of the others go home Don't let the green grass fool you
Don't let the moon get to you
Dance with the one that brought you and you can't go wrong He's got his old best buddies and his new best
friends
And the girls all give him the eye
He's a good time Charlie and the life of the party tonight But when I think about another, well I don't think twice
'Cause there'll never be another like him
I know he really loves me and I think maybe Mama was right You got to dance with the one that brought you
Stay with the one that wants you
The one who's gonna love you when all of the others go home Don't let the green grass fool you
Don't let the moon get to you
Dance with the one that brought you and you can't go wrong
You've got to dance with the one that brought you
And you can't go wrong
