Westwood heels and shoulder pads

Strike a pose and get it right

You'll be queen tonight

Two fierce drag queens go round the outside
Round the outside, round the outside
Two fierce drag queens go round the outside
And in stilettos.
Two fierce drag queens go round the outside
Round the outside, round the outside
Two fierce drag queens go round the outside
And in stilettos.
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
Tell me what you fear
I'll show you what to do
We don't do sincere
Everything taboo
