Everybody Needs Somebody

Masterboy

Refrain:
Hey, hey, heyyeah, everybody needs somebody
Hey, hey, heyyeah, everybody needs somebody
everybody, everywhere, everybody
everybody needs somebody
Rap 1
No problem at all with human races
come on come on just listen to the bass
Shake your body and move your bud
over the top right from the start
This is a song for all of you people
come on come on and feel the heat
This is a song for all of you races
come on come on and dance to the beat
Rap 2
No matter if you're black no matter if you're white
come on people unite unite
There's no frontier there's no hate
join all in and don't be late
This is our song for all creations
This is our song for all you nations
come on come on and move your feet
shake your body get of your sweat
Rap 3
We gonna rock you here, we gonna rock you there
we gonna make you shake almost everywhere
we gonna make you dance, we gonna make you move
we gonna make you follow our groove
Rap 4
Community, community,
this is all that we shout
Community community
come on and sing it loud
Rap 5
Australia. India and Bahrein
come on people there, gimme a sign
Italy, Russia and in Spain
Come on you people and open your brain
Rap 6

United States, United Kingdom
Holland, Belgium and in France
Come on people all over the world
this our song and this is our dance
