Scissor Lock

dredg

I think I'm awake
Rolling on my blanket
I am sinking into the bed
Light around me
Beautful washes of pulsating color
Buzzing white noise
It sounds like one hundred beesI too once thought the radio played
Let's act like children while we sleep paralyzed
I too once thought the radio played
Let's act like children while we sleep paralyzedPulsing
You control it
Body's asleep
And your mind is awakeI too once thought the radio played
Let's act like children while we sleep paralyzed
I too once thought the radio played
Let's act like children while we sleep paralyzed
